**LOGIBEC ANNOUNCES CHANGES IN BOARD
OF DIRECTORS AND MANAGEMENT**

Montréal, March 23, 2010 – Logibec Groupe Informatique Ltd. (TSX: LGI) (“Logibec” or the “Company”) announced today changes in its Board of Directors and Senior Management.

The Chairman of the Board of Directors, André Gauthier, announced that Jean-François Sabourin was appointed as a director at its Annual General Shareholders’ Meeting held today. He is replacing André Paiement who resigned from his position of director on March 16, 2010. The Board of Directors would like to thank Mr. Paiement for the services that he has provided as an active director of the Board of Directors over the last 24 years.

Mr. Sabourin is President and Chief Executive Officer of FinLogiK Inc., a software company specialized in financial transactions management. He holds a BBA from HEC Montréal and is a CFA charter holder. Prior to 2003, Mr. Sabourin held senior positions in the derivatives structuring group at various large investment banks. Mr. Sabourin is a member of the board of directors, the audit committee and the human resources committee of Mediagrif Interactive Technologies Inc.

Claude Roy, President and Chief Executive Officer of Logibec, announces that Gilles Laporte, Senior Vice-President – Business Development, has decided to retire as of September 7, 2010. He will remain a member of the Company’s Board of Directors. Mr. Laporte has been with Logibec since 2001. For almost 10 years as one of Logibec’s senior executives, he has played a leading role in the Company’s growth and in building customer loyalty. On behalf of the other members of the Board of Directors, Mr. Roy would like to thank Mr. Laporte for his contribution to Logibec’s success.

Claude Roy is also pleased to announce the appointment of Marc. P. Brunet as President and Chief Executive Officer of MDI Achieve, Inc., a wholly-owned subsidiary of Logibec. Over the last few years, Mr. Brunet has been directly involved in integrating acquisitions and executing the business strategy which have positioned Logibec as a leading software provider to the eldercare market in the United States. Mr. Brunet will be responsible for ensuring the growth of MDI Achieve and improving its operating margins. Mr. Brunet will retain his position as Logibec’s Chief Financial Officer.

ABOUT LOGIBEC

Logibec is among the fastest-growing North American companies specializing in information systems for the health and social services sector. In Canada, Logibec services the full spectrum of healthcare facilities, from acute care hospitals to community care centers, including healthcare authorities, with a strong market presence in Québec. Logibec's wholly-owned subsidiary, MDI Achieve, is a leader in the U.S. eldercare market with a customer base of over 7,000 facilities and communities. An experienced team of approximately 430 professionals allows Logibec to distinguish itself in these markets. The Company has its head office in Montreal as well as offices in Quebec City, Edmonton, St. Louis, Minneapolis and Dallas.
